University of Arkansas for Medical Sciences
2022-23 Annual Unduplicated Student Headcount by College, Program, Degree, Gender and Race/Ethnicity

Note of Methodology: 2021-22 Annual Student Unduplicated Headcount covers the student enrollment from the terms of: Fall 2022, Spring 2023, and Summer 2023 ; and it also includes both the fall and spring/summer terms of the Clinton School. The Academic Plan or Program Name reflects the student's academic plan from their first term enrolled for the year, which is the Fall term for most students. For dual degree students, the primary academic plan is usually the first academic plan. For example, dual degree COM-MD/PH-MPH students are usually shown as COM-MD in the fall and spring terms and the PH-MPH in the summer term. They would be reported as COM-MD only in the unduplicated headcount.
